TERMINOLOGY

Classification:

Approved Schools — School systems complying with the requirements contained in *Rule 14, Regulations and Procedures for Approving the Continued Legal Operations of All Schools and the Opening of New Schools*, adopted by the State Board of Education and Effective on June 28, 1986. Approved schools have authority to educate children as required for compulsory attendance and, if a public school, to levy and expend public funds.

Accredited Schools — Approved school systems voluntarily complying with the requirements of *Rule 15, Regulations and Procedures for the Accreditation of Public and Nonpublic Schools*, adopted by the State Board of Education and effective on April 5, 1987. Accreditation is a recognition of schools providing a level of quality education which is significantly higher than that required for approval.

AA Classified Schools — Accredited school systems which voluntarily comply with *AA Classification Guidelines for Public and Nonpublic School Systems* established by the State Board of Education. AA Classification is awarded to schools which have demonstrated educational leadership and a quality education model in Nebraska.

Class of District — "School districts in this state are classified as follows:

(1) Class I shall include any school district that maintains only elementary grades under the direction of a single school board;

(2) Class II shall include any school district embracing territory having a population of one thousand inhabitants or less that maintains both elementary and high school grades under the direction of a single school board;

(3) Class III shall include any school district embracing territory having a population of more than one thousand and less than one hundred thousand inhabitants that maintains both elementary and high school grades under the direction of a single board of education;

(4) Class IV shall include any school district embracing territory having a population of one hundred thousand or more and less than two hundred thousand inhabitants that maintains both elementary and high school grades under the direction of a single board of education;

(5) Class V shall include any school district embracing territory having a population of two hundred thousand or more that maintains both elementary grades and high school grades under the direction of a single board of education; and

(6) Class VI shall include any school district in this state that maintains only a high school." (79-102 R.R.S.)

Elementary — Represents data from elementary schools (6-Year or Less Elementary, 7-Year Elementary, 8-Year Elementary, Middle School, and Special Education.)

Full Time Equivalency (F.T.E.) -- The indication of the time an individual spends in a position assignment as it relates to the total time in a work week for that position assignment. For example, a half-time employee would have an F.T.E. of .50. In all cases a full-time employee would have an F.T.E. of 1.00. Please note: F.T.E. is not to be interpreted as the number of individuals.

NOTE: F.T.E. values shown in this publication include those E.S.U. personnel working in local school districts/systems.

Membership — Count of students on the current roll on the last Friday in September.

NOTE: "County membership" figures represent the aggregation of districts/systems whose administrative offices are located in the county. Example: If a district crosses county lines, their full membership is shown in the county in which the administrative office is located.

Nonresident — A student whose parent(s) or guardian does not reside within the geographical boundaries of the district.

Operating Status of Local Public Districts as of the Last Friday in September:

a) **Operating** — The district operates an instructional program.

b) **Not Operating** — The district does not operate an instructional program:

   1) **Contracting All Students** — All students are contracted to other districts or agencies.

   2) **No Students** — The district has no school age children for which it is responsible.

Racial/Ethnic Background:

American Indian/Alaska Native — A person having origins in any of the original peoples of North America, or who maintains cultural identification through tribal affiliation or community recognition.

Asian or Pacific Islander — A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands. This area includes, for example, China, Japan, Korea, the Philippine Islands, Samoa, India, and Vietnam.

White, Not Hispanic — A person having origins in any of the original peoples of Europe, North Africa, or the Middle East.

Black, Not Hispanic — A person having origins in any of the black racial groups of Africa.

Hispanic — A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

School District Census — "The number of children belonging to each school district. . .through twenty years old." (79-312 and 79-451 R.R.S.)

NOTE: "School District Census by County" is a consolidation of the census figures for all districts whose administrative offices are located in the county (79-312 R.R.S.). Example: If a district crosses county lines, their **full** census is shown in the county in which the administrative office is located.

Secondary — Represents data for secondary schools (2-Year Junior High, 3-Year Junior High, 3-Year Senior High, 4-Year Senior High, 5-Year Secondary, and 6-Year Secondary.)
